

Joint Interest/Financial Accountant

Vernon E. Faulconer Inc., a growing Independent Texas Oil & Gas Company with over 40 years in the industry, has an opportunity for a Joint Interest/Financial Accountant in our Accounting Department. The position performs a vital role in supporting and managing joint interest and financial accounting processes, while maintaining a high level of confidentiality and professionalism.

Duties and Responsibilities:

- Responsible for JIB processing accuracy, efficiency and timeliness.
- Manage and reconcile JIB Suspense, as well as other general ledger accounts.
- Responsible for managing material transfer process, as well as various financing and accounting entries.
- Perform review and evaluation of AFE's.
- Assist in supporting supervisors with accounting special projects.
- In addition, the position will be responsible for:
 - Providing financial analysis support for management including operational managers and executives.
 - Performing cost and investment analysis for management (i.e. ROI, Payback Period, Operational and Financial Metrics, etc.).
 - Developing relationships with operations and leaders of the organization.
 - Communicating in an understandable manner the financial analysis results to leaders of the company.
- Performing ad hoc reporting using accounting system and BI software.
- Preparation of monthly reporting and analysis section of the financial statement package.

Required Qualifications:

- 1 – 2 years' accounting experience, with general O&G knowledge or understanding.
- Bachelor's degree in Finance, Accounting, Business or Economics required.
- Previous oil and gas experience with Joint Interest Accounting preferred, but not required.
- Previous Financial Analysis experience desired, but not required.
- Self-motivated, organized and detail oriented, with the ability to multi-task and work with challenging issues, while establishing and meeting deadlines.
- Well-developed computer skills to include demonstrated proficiency with Microsoft Office applications.
- PowerPivot and BI software experience preferred, but not required.
- Demonstrated ability to add value to the business operations team while going beyond expectations.
- Strong presentation skills.
- Good organization skills and proficient in oral and written communication.
- Ability to maintain confidentiality and demonstrate sound judgment in performance of job responsibilities.
- US Citizen or already have the right to work in the United States for any employer without sponsorship.

Attractive compensation and benefits package for qualified candidates.
