

FAULCONER ENERGY

Controller

Faulconer Energy, LLC, a growing Independent Texas Oil & Gas Company, has an opportunity for a Controller in our Tyler, Texas office. The successful candidate will be responsible for operational and general accounting duties. This position will report to the Chief Financial Officer, and will manage the Revenue, JIB, AP and financial reporting functions. This role is a second level supervisor position and requires excellent management and communication skills.

Duties and Responsibilities:

- Oversee the month-end close process related to the operations of the company, including all revenue and cost-related accounts, margin analysis and timely reporting of results
- Oversee the accurate and timely payment of all accounts payable
- Oversee timely payment application and collections activities
- Manage and understand JIB, Revenue and AP at a detailed level
- Conduct monthly account reconciliations to ensure accurate reporting
- Responsible for operational accounting and reporting including financial statement preparation
- Coordinate financial statement analysis
- Review and recommend changes to accounting processes and procedures
- Manage Company production reporting and allocation process
- Coordinate annual financial audit process

Required Qualifications:

- Bachelor's degree in Accounting
- CPA required
- Previous Public Accounting Experience - Energy client-focused
- 8+ years of general accounting experience in oil and gas
- Previous supervisory experience required.
- Proven ability to build and manage collaborative teams
- Excellent interpersonal skills, with demonstrated leadership and coaching capabilities.
- Possess strong work ethic and professional standards
- Highly motivated, organized and detail oriented, with the ability to multi-task and work with challenging issues, while establishing and meeting deadlines.
- Advanced computer skills to include demonstrated proficiency with Microsoft Office applications.
- Experience with W Energy, Quorum or other oil and gas ERP system desired
- BI software experience is preferred, but not required.
- US Citizen or already have the right to work in the United States for any employer without sponsorship.

Attractive compensation and benefits package for qualified candidates.
