

Senior Production Analyst

Falconer Energy, LLC, a growing Independent Texas Oil & Gas Company with over 40 years in the industry, has an opportunity for a Senior Production Analyst. The position manages production analysis and reporting processes for operated assets primarily in the Texas/Oklahoma/Louisiana region.

Duties and Responsibilities:

- Create and maintain ad hoc reporting for the analysis of production trends.
- Partner with automation and operations groups to insure the integrity of production information supplied to and utilized throughout the company.
- Lead and support Production Analyst in:
 - Accurately reporting and allocating all company-operated production data.
 - Maintaining records for all company-owned non-operated production data
 - State and federal production reporting
 - Communicating daily with lease operators to ensure accurate reporting.
 - Completing and distributing daily, monthly and annual production reports
- Partner with engineering and operations groups to establish and analyze well performance goals.
- Resolve complex production accounting problems.
- Provide financial analysis support for management, including operational managers and executives.
- Develop relationships with operations and leaders of the organization.
- Communicate financial analysis results to Company leadership in an understandable manner.

Required Qualifications:

- Bachelor's Degree in Accounting, Business or IS is preferred.
- 3-5 years' minimum experience in oil and gas production analysis.
- Previous supervisory experience preferred, but not required.
- Possess strong work ethic and professional standards.
- Ability to operate with limited supervision.
- Strong written and verbal communication skills.
- Self-motivated, organized and detail oriented, with the ability to multi-task and work with challenging issues, while establishing and meeting deadlines.
- Well-developed computer skills to include demonstrated proficiency with Microsoft Office applications.
- BI software or other system reporting experience is preferred, but not required.
- US Citizen or already have the right to work in the United States for any employer without sponsorship.

Attractive compensation and benefits package for qualified candidates.
